

Yesterday Framed in To-day

a story of the Christ, and how To-day recieved Him

read by Tricia G.

What would have happened if Christ hadn't come to Israel 2000 years ago, but had come to North America at the end of the 19th Century? This story makes that assumption and paints a picture of what it might have looked like - how different members of society might have reacted. The story follows David Holman, an invalid young man at the opening of the story.
